

Terms of Service

Last updated: May 16, 2026

Welcome to the service. By accessing or using the platform, you agree to these Terms of Service.

1. Service Description

The platform provides AI-generated content, analysis, automation, and related tools.

AI-generated outputs may be inaccurate, incomplete, or inappropriate and should be independently reviewed before use.

2. Eligibility

You must comply with applicable laws when using the service.

You may not use the service to:

- violate laws or regulations;
- infringe intellectual property rights;
- generate harmful, fraudulent, abusive, or illegal content;
- interfere with or disrupt the platform;
- attempt unauthorized access to systems or data.

3. User Content

You retain ownership of the content you submit to the service.

By submitting content, you grant us a non-exclusive license to process, store, and use the content solely for operating and improving the service.

You are responsible for ensuring that your content does not violate any laws or third-party rights.

4. AI Outputs

Outputs generated by the service are provided for informational purposes only.

We do not guarantee:

- accuracy;
- reliability;
- legality;
- fitness for a particular purpose;
- non-infringement.

You are solely responsible for reviewing and using generated outputs.

5. Intellectual Property

The platform, including its software, branding, and design, is owned by the service operator and protected by applicable intellectual property laws.

Except as permitted by law, you may not copy, reverse engineer, or redistribute the platform or its components.

6. Availability

We may modify, suspend, or discontinue the service at any time without liability.

We do not guarantee uninterrupted or error-free operation.

7. Limitation of Liability

To the maximum extent permitted by law, the service is provided “as is” and “as available.”

We are not liable for any indirect, incidental, special, consequential, or loss-related damages arising from the use of the service or AI-generated outputs.

8. Termination

We may suspend or terminate access to the service if these Terms are violated or if use of the service creates legal or security risks.

9. Changes to the Terms

We may update these Terms from time to time. Continued use of the service after updates constitutes acceptance of the revised Terms.
